Subject: Request for empowerment of single mother and widows in Puntland, Somalia

Your Excellency,

Shafshafo for Relief and Development would like to bring the attention of esteemed humanitarian organization an urgent need for the empowerment of widows and single mothers in Somali society in general, and Galkaio city which took the brunt of the Somali civil war and became home to a large population of orphans, single mothers and widows who lack resources to make ends meet in their lives.

We in Shafshafo for Relief and Development would like to submit to your excellence a plan of training and empowering widows and single mothers who are striving to keep themselves afloat in this harsh environment. The plan includes training in sewing and dress-making profession, purchasing sewing machines for them, and providing them with sewing supplies of tools, fabrics and others. It is expected that he will benefit from it (300) widows and single mothers. The total cost is estimated at

Aaround \$56,660, according to the attached plan. The adoption and execution of this plan will lead to the empowerment and training of this target group so that they can cope with the harsh conditions of life and can cover the lives of their families.

In conclusion, we cannot but express our thanks and appreciation to Your Excellence for your consideration in serving humanity.
